

**6<sup>TH</sup> AFC MEDICAL  
CONFERENCE**  
CHENGDU 2019  
4 - 8 March 2019

*“Football & Sports Medicine -  
the Challenging Horizon”*

**Mr. Andreas Serner** is a Physiotherapist from Copenhagen, Denmark. Before joining Aspetar 3 years ago, he has previously worked in private physiotherapy clinic in Copenhagen, as well as Team Physiotherapist at the FC Copenhagen Football Academy. He has his primary interest in football injuries, and has experienced a considerable number of these during his own football career.

Andres is currently in the final stage of his PhD in Clinical Research with a focus on diagnosis and treatment of acute groin injuries in athletes.
