

**6<sup>TH</sup> AFC MEDICAL  
CONFERENCE**  
CHENGDU 2019  
4 - 8 March 2019

*“Football & Sports Medicine -  
the Challenging Horizon”*

**Dr. Celeste Geertsema** is a Sports Medicine Physician at Aspetar with her main interests being in football, snow sports, event cover and athletes travelling. She has extensive experience working as team physician for the New Zealand National Football team, as well as the NZ Winter Olympic and Commonwealth Games teams. She was the first ever female Team Physician at the FIFA world Cup (in South Africa 2010) and also worked as FIFA Venue or General Medical Officer at the several Women’s Football World Cups. She has also been involved in the planning and provision of medical cover at the FINA swimming world championships, the IHF handball world championships and WTA tennis tournaments.
